# Important information

## 1. Tax file number (TFN)

Under the *Superannuation Industry (Supervision) Act 1993*, Brighter Super is authorised to collect your TFN, which will only be used for lawful purposes.

These purposes may change in the future as a result of legislative change. Brighter Super may disclose your TFN to another superannuation provider, when your benefits are being transferred, unless you request to the trustee of your superannuation fund in writing that your TFN not be disclosed to any other superannuation provider.

It is not an offence not to quote your TFN. However giving your TFN to your superannuation fund will have the following advantages (which may not otherwise apply):

- Brighter Super will be able to accept all types of contributions to your account/s
- other than the tax that may ordinarily apply, the tax on contributions to your superannuation account/s will not increase
- other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your superannuation benefits
- it will make it much easier to trace different superannuation accounts in your name so that you receive all your superannuation benefits when you retire.

More information on Tax File Numbers for superannuation purposes can be obtained from the ATO on 13 10 20.

## 2. Preservation

If you have met preservation age and permanently retired from the workforce, then your account will be fully accessible in cash.

If you have not permanently retired, some of your account will be preserved until any of the following events occur:

- you reach preservation age and permanently retire
- you are aged 60 or above and leave or change employment
- you reach age 65

**Your preservation age will be:**

Date of birth	Preservation age
Before 1 July 1960	55
1 July 1960 – 30 June 1961	56
1 July 1961 – 30 June 1962	57
1 July 1962 – 30 June 1963	58
1 July 1963 – 30 June 1964	59
After 30 June 1964	60

## 3. Privacy and personal information

Brighter Super respects your privacy. All personal information collected on this form is protected in line with *Brighter Super's Privacy Policy*. To find out more about how we collect and manage your personal information, please refer to our *Privacy Policy* available from our website [brightersuper.com.au](http://brightersuper.com.au).

## 4. Permanent retirement

You are considered permanently retired if you have stopped working and will not be gainfully employed for 10 hours or more each week.

## 5. Investment options

If your account is invested in more than one investment option you can select a specific investment option from which your partial withdrawal will be deducted. If you do not select a withdrawal investment preference, Brighter Super will withdraw the nominated funds proportionately from each investment option held.

## 6. Tax on cash payments

Withdrawals are taken proportionally from your tax-free and taxable components. If you are aged between your preservation age and 59 your benefit tax depends on the amounts of your previous withdrawals. From age 60 no tax applies on your withdrawals.

## 7. Proof of identification requirements

Australian government legislation requires you to provide us with proof of identification if you are withdrawing a benefit in cash.

To prove your identity, you can provide us with sufficient information to verify your identity electronically or send us an original certified copy of your current driver licence or passport.

From November 2022 all members will be required to supply their driver licence **card number** in addition to their licence number if they wish to have their identity verified electronically.

Your card number is a unique identifier which is updated each time a driver licence is re-issued. Including the card number when verifying your identity ensures that the document being presented is the most recently issued document and this will minimise the risk of identity theft using a stolen or lost driver licence.

The position of the card number is different for each State and Territory although it is commonly located on the back of your licence.

Read the *Proof of identity requirements* information at [brightersuper.com.au](http://brightersuper.com.au) for more information.

## 8. Benefit payment policy

Your request will usually be processed within 3-7 working days working days once all complete and correct information is received. You must retain a minimum balance of \$8,000 in your account. If your withdrawal request reduces the value of your account below this amount you may be required to withdraw your total account balance.

## 9. Benefits less than \$200

In order for benefits less than \$200 to be released, the following conditions must be met:

- the amount of the benefit at termination date and at the date of payment must be less than \$200
- it must be at least 60 days since you ceased employment.
