Important information

1. Pension payment options

If you select an investment option(s) for pension payments on this form, your selection only applies to regular pension payments and not any lump sum withdrawals you make. You can choose which option(s) you would like your lump sum withdrawals to be taken from when you request the withdrawal.

2. Effective switch date

If your valid switch request is received before 3pm (AEST) on a business day it will take effect on the same business day. Any requests received after 3pm (AEST) will take effect on the following business day. Your investment switch will, in most cases, be reflected on your account within 2 working days after we receive your application.

A business day is defined as a day between Monday and Friday which is not an Australian national public holiday. Only one investment switch will be accepted for an account on any given day. See the *Pension Investment choice guide* for more details.
