Audit and non-audit services

Details of the amounts paid or payable to the auditor (PricewaterhouseCoopers Australia) for audit and non-audit services during the year are disclosed in note 7.

The Trustee may decide to employ the auditor on assignments additional to their statutory audit duties where the auditor's expertise and experience with the company is important.

The Board of directors, in accordance with the advice provided by the audit committee, is satisfied that the provision of non-audit services is compatible with the general standard of independence for auditors imposed by the *Corporations Act 2001*. The directors are satisfied that the provision of non-audit services by the auditors did not compromise the auditor independence requirements of the *Corporations Act 2001* for the following reasons:

- All non-audit services have been reviewed by the audit committee to ensure they do not impact the impartiality and objectivity of the auditor, and
- None of the services undermine the general principles relating to auditor independence as set out in *APES 110 Code of Ethics for Professional Accountants*.

Proceedings on behalf of the company

No proceedings have been brought or intervened in on behalf of the Trustee with leave of the Court under section 237 of the *Corporations Act 2001*.

Mergers

(ii) Suncorp Portfolio Services Limited

On 28 April 2021, LGIAsuper entered into an agreement to purchase 100% of Suncorp Portfolio Services Limited from Suncorp Group. The acquisition was finalised on 31 March 2022 and we are now bringing together the operations of the two superannuation funds in order to provide more benefits for members through economies of scale and synergies.

Significant events after the balance date

In August 2022, the trustees of the SPSL Master Trust and LGIAsuper both agreed in principle to work towards a successor fund transfer with a target date of 31 May 2023 and with LGIAsuper as the successor fund.

From 16 September 2022 Energy Super's member systems were moved into Brighter Super, resulting in a change in the administrator of members' funds from Link Market Services to Tech Mahindra.

There have been no other matters or circumstances not otherwise dealt with in the financial report that have significantly affected or may significantly affect the Trustee since the end of the financial year.

Environmental regulation and performance

The Trustee is not subject to any particular or significant environmental regulation.

Indemnification and insurance of Directors

During or since the financial year, the Trustee has paid premiums from the Fund in respect of a contract insuring all of the Directors of the Trustee against costs incurred in defending any legal proceedings against them. The total amount of insurance premiums paid was \$28,240 (2021: \$37,529).

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report for the year ended 30 June 2022 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.
